

Rev. Father Kiely Issues a Card of Thanks

To all who, by their labors and generous patronage, assisted in making the late lecture for the benefit of St. Ann's orphanage such a success, I return most sincere thanks. Netting over \$1,200. As compared with all past benefits for the same charitable purpose it has been four times as great. This unprecedented success was due mainly to the manager, Joseph Geoghegan, who worked untiringly, and to Father Cashman, who would not accept any compensation, even his transportation or hotel expenses. Special thanks are also due to George Pyper, who freely donated the Salt Lake Theatre.

D. KIELLY, Secretary.

Speaking for the Catholic people of Salt Lake, "The Intermountain" cheerfully supplements everything Father Kiely says, with a good word for the singers and all others who contributed to the success of the entertainment.

Father Cashman, coming from Chicago at his own expense to aid in making the St. Patrick's celebration of 1900 memorable in Salt Lake, and at the same time lending his talents for the benefit of the orphans, is entitled to our everlasting gratitude. He showed a noble spirit, and the Catholics of Salt Lake will ever appreciate it.

The people, too, regardless of creed and other differences, displayed a splendid magnanimity in responding so generously to the call to aid the little ones whose young natures are being developed beneath the roof of the Kearns orphanage.

Don McQuire of Ogden was in the city a short time on Monday on business.

B. W. Berry, the Park City mining man, has been in the city for the past two or three days.

Timothy Kinney, the prominent Rock Springs merchant, is in the city for the past few days.

General Manager F. P. Gridley of the Sweetwater Coal company at Rock Springs is in the city.

Henry Dinwoodey, accompanied by Mrs. Dinwoodey, is home from a pleasure trip to Mexico.

Work on the foundation of the new Cathedral is progressing rapidly, owing to the delightful weather.

Stephen Keogh, brother of Dr. P. S. Keogh, who has been very ill with pneumonia, is convalescing.

The board of public works has awarded the contract for the new city creek water main to P. J. Moran.

The promoters of the Sacred Heart league will hold their regular monthly meeting on Sunday afternoon at 3:30, in the sacristy.

On Monday last David Keith bought from Mrs. Katherine Belcher, for \$5,000, the lot adjoining his new residence on Brigham street.

Mrs. M. S. Shaugnessy and Miss Shaugnessy, who have been in California for the past few months, will return home next week.

Mrs. O. J. Salisbury and Miss Stella Salisbury will soon leave for the East, to visit James and Walker Salisbury, who are attending college.

The ice men have announced an increase in price of 10 cents per hundred. This will be effective on the 1st of April. Who would not be an ice man?

The directors of the Centennial-Eureka mine on last Tuesday voted the first quarterly dividend of \$1 a share, or \$100,000, to be distributed on April 1st.

The music at the 8 o'clock mass last Sunday was beautiful. Clara Fafek sang the solo "Holy Mary Mother Mild," and Ethel Collins the communion hymn.

The concert given in the Thirteenth ward on Wednesday night was a great success. E. S. Goddard had charge of the programme, which—needless to say—was an artistic one.

The Children's Choir has rehearsed every Saturday afternoon at 2:30. The rehearsals of late have been poorly attended, and the attention of the parents is earnestly called to this fact.

The Young Ladies' Aid society report for February shows: Groceries, \$76.45; coal, \$36.90; merchandise, \$23.35; cash, \$24.50. Total, \$161.10. Number of families assisted during the month, 88. Lute McMillan, President.

Miss Dora Kinney of Rock Springs, who has been very ill for the past few weeks, is very much improved. Her many friends have been very worried about her, and will be glad to know that she will soon be well.

Frances McCarthy, Mollie McCovey and Ethel McDonald are three young promoters whose names have been suggested for promoters of the Sacred Heart League. They are expected to be present at the meeting on Sunday afternoon.

It is to be hoped that the business meeting of the Social Club will be well attended on next Tuesday evening, April 3. A mistaken idea is that the meetings are for the officers only. Every member of the club is duty bound to attend the business meetings, as well as the social meetings. All "cake and coffee" without business will cause the club to result disastrously.

The music section of the Ladies' Literary club held its regular meeting at the clubhouse on Wednesday morning at 10 o'clock. A very interesting programme was given. One of the best numbers was a duo by Mrs. Jay Johnson and Miss Luce. Miss Luce is one of the most enthusiastic members of the club, and is indefatigable in her efforts to give an artistic programme.

On last Sunday—the feast of the Annunciation—the altars were beautifully decorated. The ladies of the Altar Society sent quantities of flowers, and the altar of the Blessed Virgin was a beautiful bower of white and green, with the greeting "Hail Mary" in flowers and smilax at the foot of the statue.

The ladies of the society who attended to the altars were: Mrs. L. Bixby, Mrs. K. Kinnealy, Mrs. E. J. Pratt, Mrs. T. O'Rourke and Mrs. C. Schultz.

The news has lately reached this city of the marriage of Miss Ida Clark and Mr. John Shumway at Los Angeles, Cal. They were married in San Gabriel's Mission Church by Rev. Father Bett on Feb. 26. Mrs. Shumway has many friends in this city, where she was raised, who wish her every happiness. Her husband is a prominent young business man of Los Angeles, who is congratulated on winning such a charming wife. The Intermountain Catholic extends congratulations.

Money Earns Money.

Money invested through F. E. McGurkin & Co., Investment Bankers, earns interest at 6 per cent per annum, compounded semi-annually. Each person's money is separately secured by first mortgage on real estate, so there is no possibility of loss. Besides the absolute security afforded, the rate is higher than can be obtained in savings banks. Write to them for list of securities.

Zion's Savings Bank and Trust company was established in 1873, and has since opened more than twenty-four thousand savings accounts. Have you an account? If not, start one NOW.

Money invested through McGurkin & Co., Salt Lake City, yields 6 per cent per annum, net, to the investor, and each investor is separately and safely secured. Write to them.

No matter how small his wages, every clerk in a store should so manage his living expenditures as to put into a savings bank a certain amount of his income every month. Aside from contracting the habit of thrift, the money will help him over a hard spot some time. It will also materially increase his self-respect and give him a comfortable feeling of personal independence. The Denver Savings Bank is located at Sixteenth and Arapahoe.

ROYAL Baking Powder

The strongest, purest, most efficient and wholesome of leavening agents. Not lowest in price, yet the most economical; indispensable to all who appreciate the best and most healthful food.

Our country is enjoying prosperity almost unsurpassed in its history.

For every one there is money enough to buy that to eat which is pure, sound, good, wholesome.

Why should we use cheap, impure, unhealthful articles of food? There is no economy in them; they endanger the health, they may cost life. There are reported almost daily cases of sickness caused by eating cake, puddings or biscuit made with the cheap, alum baking powders.

In all articles for food buy and use only the best. The good health of the family is of first consideration.

Alum is used in many baking powders because it makes them cheap. It costs less than two cents a pound. Alum is a corrosive poison. Think of feeding it to children! Yet the manufacturers of well-known alum powders are actually denying that their goods contain it.

The Mountain Mere.

The sky serene and blue
Overlooks the shadowy lake
Of yonder mountain's side
The shadows seem to float
And beams of golden hue
On rippling waters break
To kiss the silvery sail.

And on this silvery mere
See yonder fairy boat
Goes gently skimming by
While o'er the waters clear
The shadows seem to float
And beams of golden hue
On rippling waters break
To kiss the silvery sail.

Now on the aspen side
Swift rises the shadowy fair
With silver gleams bright
While o'er the sky doth glide
A fairy cloudlet rare
Like white-winged bird in flight.

Then from the sky after
The purple shadows fall
As faintly in the west
Appears the evening star
And silently doth call
The world to dreamless rest.

—EDITH ASHTON, Class '02.

Dreamland.

When the twilight shadows are falling
In the bright and painted west
Then all silently I wander
Up dreamland, land of rest.

Down dream rivers swiftly gliding
Speeds the boat in which I lie
To my soul bright visions bring—
Mystic dreams that cannot die.

As the boat glides o'er the water,
Leaving earthly cares behind
Then the brightest of all day-dreams
Flashes swift across my mind.

In the light an angel standeth,
Wreathed smiles upon her face,
Ever beckoning me to follow
With an airy, limbo grace.

Now I follow when she beckoneth
In the faint and fading light
At the day grows darker
And the stars bedeck the night.

All in darkness now and silence,
While I cross the billowy deep,
And the boat glides slower, slower,
Anchoring in the bay of sleep.
